SUBJECT: Agenda Item #4: Consideration of Waiver of Individual Notice Requirement for LAFCO 2900 -- Service Review and Sphere of Influence Amendment (Expansion) for the West Valley Mosquito and Vector Control District

RECOMMENDATION:

Continue this review to the July 16, 2003 hearing at the request of the West Valley Mosquito and Vector Control District.

BACKGROUND INFORMATION:

The West Valley Mosquito and Vector Control District has asked for a 30-day continuance to allow for ongoing discussions with the Cities of Rancho Cucamonga and Ontario. To date, the staff has received support from the County Vector Control Program to waive the individual notice requirement for the District's consideration. However, the District wishes to have further discussions with the cities prior to proceeding with this item.

In support of these ongoing discussions, staff recommends continuation of this matter to the July 16th hearing.
